FISH Food Bank has been fighting hunger in Hood River County by gathering and distributing food for more than 40 years. In the past few years, the demand for our services has increased by 65%. We currently serve an average of 400 families/individuals each month. We are working to build a facility that will allow us to store and distribute more food, including more fresh fruits and vegetables. For more information please visit www.fish-food-bank.com.
