Hood River Vineyards is the Gorge's oldest winery, established in 1981. Find us tucked away on a secluded, peaceful hillside overlooking the Gorge and the Hood River Valley.

We are off the beaten path, but easy to find on the west side of Hood River. From I-84, Exit #62 — just follow the signs! We are also #31 on the Hood River County Fruit Loop map, and right next to the Post Canyon Trails.

We have a broad selection of wines made in small batches, including whites, reds, hard ciders, and our famous ports and sherry including Marionberry, a tasting room favorite! There's usually something for everyone.

All of our wines are estate-grown in our Hood River vineyards, which were estab-

lished in the mid-1970's, and orchards, — made here at our winery by our family.

We welcome visitors from around the world to our small, yet cozy tasting room right inside the winery itself, where the barrels and rich aromas of winemaking are part of the experience.

If the weather's nice, there is a small, peaceful picnic area to enjoy, with views of the Gorge and the Hood River Valley. If the weather's not so nice, the woodstove will be warming things up inside!

Families are welcome — indeed, over the years we've had the pleasure of watching more than a few families grow up, introducing new generations to our wine. We would love to be part of your wine-tasting tradition!

We are now Open Daily
11 a.m. - 5 p.m. We hope to see
you soon!
